The Board of Education of the Collinsville Community Unit District No. 10, State of Illinois (hereinafter referred to as the "Board"), and the Collinsville Education Association, an affiliate of the Illinois Education Association and the National Education Association (hereinafter called the "Association"), on behalf of the Association and behalf of the employees in the bargaining unit recognized and described in Article I of this Agreement, agree as follows:

ARTICLE I: RECOGNITION

Section 1. The Board of Education of School District No. 10, Madison County, Collinsville, Illinois, recognizes the Collinsville Education Association as the sole and exclusive negotiating agent for all regularly employed professionally certified personnel, except for administrative and supervisory personnel. When used hereinafter in this Agreement, the term "teacher" or "teachers" shall refer to a member or members of the bargaining unit represented by the Association.

ARTICLE II: ASSOCIATION RIGHTS

- Section 1.** Attainment of educational objectives of the District requires mutual understanding and cooperation between the Board, the Administrative and Supervisory Staff and the Professional Teaching Personnel. To this end, free and open exchange of views is desirable and necessary, with all parties in deliberation leading to the determination of matters of mutual concern.
- Section 2.** The Association and its representatives shall have the right to use school buildings for meetings outside of school hours provided that when special custodial service is required, the Board may make a reasonable charge if a custodian is needed.
- Section 3.** All members of the Association Board of Directors shall have the right to call meetings of the membership in that building. Time for announcements of the date and place of Association meetings shall be provided in regular staff meetings in each building if the Principal is informed in advance.
- Section 4.** Names and addresses of newly hired employees shall be provided to the Association following approval of their contracts.
- Section 5.** The first Wednesday of each month shall be for Association meetings and no school-sponsored teachers' meeting shall be held on this day.
- Section 6.** Officers and delegates of the Association shall be excused without loss of pay for an aggregate of thirty (30) days for Association conferences and business with the provision that the Association pay the cost of the substitute teachers. Official request for such released time shall be made by the President(s) of the Association to the Superintendent or his/ her designee. It is agreed that no one individual may use more than twelve and one half (12 ½) Association days in any one contract year.
- Section 7.** The Association may appoint teachers or nurses in each building as its official representative who shall be recognized by all parties to this Agreement.
- Section 8.** An employee shall have the right to have Association representation at all meetings which relate to potential or actual adverse employment action against the employee. The employee shall also have the right to Association representation at any follow-up meetings. The supervisor, administrator, or Board shall notify the employee at least one (1) workday in advance of any such meetings (except in cases in which the administrator determines is an emergency), giving reasons for the meeting.
- Section 9.** Employees shall have the right to examine, in the presence of the person responsible for the files, the contents of their personnel file in their building and the central office except for those documents that are exempt by law. Copies of the contents of the file which are not restricted may be made available to the employee subject to a fee schedule.

- Section 10.** An employee shall examine all material of an evaluative nature to be placed in their personnel file prior to its inclusion in the file.
- Section 11.** The Association shall have the use of the institutional bulletin boards, mailboxes and other communication media.
- Section 12.** Employees shall have the right to organize, join and assist the Association and to participate in professional negotiations with the Board. The Board shall not discriminate against any employee with respect to hours, wages, terms and conditions of employment for reason of membership in the Association, participation in negotiations with the Board, or the institution of any grievance, complaint or proceeding under this Agreement.
- Section 13.** Within thirty (30) days of ratification of the Agreement, the Board shall have sufficient copies of the Agreement prepared and delivered to the Association for its distribution to each employee in the bargaining unit.

- Section 15.** The Board shall not issue individual employee salary statements during negotiations before agreement has been reached between the Board and the Association. However, the Board may issue individual contracts to new employees.
- Section 16.** In the development of the operating procedures, we recognize the value and desirability of employee involvement and encourage their recommendations.
- Section 17.** The Association Board of Directors shall meet at regular monthly intervals with the Superintendent of Schools to discuss matters of common concern. These matters may include, but are not limited to (1) practices that affect the welfare of pupils and/ or employees, (2) alleged injustices that may develop because of the lack of Board or administrative policy, (3) the professional conduct of staff, and (4) matters that reflect on the School District and/ or the teaching profession.
- Section 18.** The teaching staff shall be informed of any new program or project for utilization of special state or federal funds and the views of the Association shall be considered by the administration and Board of Education.
- Section 19.** Any teacher who is a member of the Association shall be granted payroll deduction of dues upon receipt of a signed dues deduction request form. Executed dues deduction request forms shall be furnished to the Business Manager prior to the first of the month in which the deduction goes into effect. The District shall not be responsible for any make-up deductions on requests. Such authorization for dues deduction shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year.

Article II: Association Rights (cont'd.)

Section 20. Fair Share

- 20.1 Each bargaining unit member, as a condition of his/ her employment, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, shall join the Association or pay a fair share fee to the Association equivalent to the amount of dues uniformly required of members of the Association, including local, state and national dues.
- 20.2 In the event that the bargaining unit member does not pay his/ her fair share fee directly to the Association by a certain date as established by the Association, the employer shall deduct the fair share fee from the wages of the non-member.
- 20.3 Such fee shall be paid to the Association by the employer no later than ten (10) days following deduction.
- 20.4 In the event of any legal action against the employer brought in a court of administrative agency because of its compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel provided:
 - 1 The employer gives immediate notice of such action in writing to the Association, and permits the Association intervention as a party if it so desires; and
 2. The employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence obtaining witnesses, and making relevant information available at both trial and all appellate levels.
- 20.5 The Association agrees that in any action so defended, it will indemnify and hold harmless the employer from any liability for damages (actual or punitive), penalties, fines or interest and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article.
 - 1 This indemnification obligation is understood not to apply in cases where the employer is willfully misapplying the provisions of this Article by deducting amounts not in accordance with this Article or by deducting amounts from employees not subject to deduction under this Article.

Where the parties are in disagreement as to the employer's obligation under this Article, the Association may make an appropriate written demand upon the employer to conduct itself in accordance with any correct Association's interpretation of this Article. If the employer thereafter refuses to defer to any correct Association's interpretation, then the indemnification obligation will not apply.

Article II: Association Rights (cont'd.)

- 20.6 The obligation to pay a fair share fee will not apply to any employee who, on the basis of a bonafide religious tenet or teaching of a church or religious body of which such employee is a member, objects to the payment of a fair share to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment in behalf of the employee to a mutually agreeable non-religious charitable organization as per Association policy and the Rules and Regulations of the Illinois Educational Labor Relations Board.

ARTICLE III: GRIEVANCE PROCEDURE

Section 1: Definitions:

11 A grievance is defined as a complaint by an employee, a group of employees or the Association that there has been a violation, misinterpretation or misapplication of one or more specific provisions of this Agreement or Board policy directly affecting wages, hours, and terms and conditions of employment of the employees covered by this Agreement.

12. An "aggrieved person" is a person or persons making the claim.

13 A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

14 The failure of an employee to act on any grievance within the prescribed time limits, will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

15 All time limits consist of employee working days, except when a grievance is not resolved before the close of the current school term, time limits shall consist of all weekdays in order that the matter may be resolved as soon thereafter as possible.

16 In the event a grievance is filed which might not be finally resolved at "Step Two" under the time limits set forth herein by the end of the school term, and which, if left unresolved until the beginning of the following school term could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced; therefore, the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practical.

Section 2. Procedures:

The parties acknowledge it is usually most desirable for an employee and the immediately involved supervisor to resolve problems through free and informal communications. The employee shall be entitled to have a representative of the Association present to assist during such informal communications. If the matter is not resolved informally, a formal grievance may be filed in accordance with the following procedure:

2.1 STEP ONE The grievant and/ or the Association shall present the grievance in writing, on a form to be adopted for this purpose by the parties, to the immediately involved supervisor no later than twenty (20) days following the act or omission giving rise to the grievance, or within twenty (20) days of the time the grievant knew or reasonably should have known of such event. The written grievance shall state the specific violation,

misinterpretation, or misapplication of the Agreement or Board policy alleged to be violated and the remedy requested. The immediately involved supervisor shall provide a written answer to the grievant and the Association no later than ten (10) days after receipt of the written grievance with reasons for the decision.

-7-

Article III: Grievance Procedure (cont'd.)

- 2.2 STEP TWO** If the grievance is not resolved at Step One, then the grievance shall be sent to the Superintendent no later than ten (10) days after receipt of the Step One answer. The Superintendent shall arrange for a meeting with the representatives of the Association to take place no later than ten (10) days after his/ her receipt of the appeal to attempt to resolve the grievance. Each party shall have the right to include in its presentation such witnesses and advisors as it deems necessary. Upon conclusion of this meeting, the Superintendent shall have ten (10) days in which to provide a written decision with reasons for the decision.
- 2.3 STEP THREE** If the grievance is not resolved at Step Two, the grievance may be appealed in writing to the Board of Education no later than ten (10) days after receipt of the Superintendent's decision. The Board of Education shall arrange for a review to take place no later than fifteen (15) days after the Board's receipt of the grievance. Such review will be conducted in committee session. The grievant and the Association shall have the right to have present such witnesses and representatives as they deem necessary. A full record of such meeting will be kept and made available upon request to any party in interest. Upon conclusion of the review, the President of the Board of Education shall have fifteen (15) days in which to file the written decision of the Board with the grievant and the Association, with reasons for the decision.
- 2.4 STEP FOUR** If the grievance is not satisfactorily resolved at Step Three, the Association and Board may mutually agree to request mediation of the grievance. If the parties do not mutually agree to mediation within fifteen (15) days following the date the Association receives the Step Three answer, the Association may advance the grievance to Step Five (binding arbitration). If the parties mutually agree to mediation, the Board and the Association shall attempt to agree on the selection of a mediator. If the parties are unable to agree on the selection of a mediator within the said fifteen (15) days, the request for mediation shall be submitted to the Federal Mediation and Conciliation Service (FMCS) which shall appoint a mediator from its staff to assist the parties in attempting to resolve the grievance. The mediation process shall begin as soon as practical following the appointment of the mediator, and shall continue for a period not to exceed thirty (30) days from the date the

mediator is appointed, unless the parties mutually agree to extend the mediation period.

-8-

Article III: Grievance Procedure (cont'd.)

2.5 STEP FIVE If the grievance is not satisfactorily resolved at Step Three or Step Four, the Association at its option, may submit the matter to binding arbitration excluding the Sections pertaining to class size and sabbatical leave. If a demand for arbitration is not filed within thirty (30) days following the date the Association receives the Step Three answer or within thirty (30) days following the conclusion of the Step Four mediation process, whichever is later, the grievance shall be deemed withdrawn. The Association shall send notice of the demand for arbitration to the Board of Education at the time the demand is made. Within fifteen (15) days following the date the Board receives the demand for arbitration, the Board and the Association shall attempt to agree on the selection of an arbitrator. If the parties are unable to agree on the selection of an arbitrator within the said fifteen (15) days, the demand for arbitration shall be submitted to the Federal Mediation and Conciliation Service (FMCS) which shall act as administrator of the proceedings in accordance with the Voluntary Arbitration Rules of the American Arbitration Association (AAA).

The arbitrator to whom any grievance shall be submitted in accordance with the provisions of this Article shall, insofar as may be necessary for the determination of such grievance, have authority to interpret and apply the provisions of this Agreement, but such arbitrator shall not have the authority to alter, or add to or subtract from, in any way, the terms and conditions of this Agreement.

The decision of the arbitrator shall be final and binding upon the Board and the Association unless contrary to the laws of the State of Illinois. Binding arbitration is not applicable to the negotiation process.

The costs of arbitration shall be borne equally by the Board of Education and the Collinsville Education Association.

2.6 STEP SIX Advisory arbitration will apply to the Sections on class size and sabbatical leave.

As the final step of the grievance, for those items specifically excluded from Step Four, "binding arbitration", either party may request "advisory arbitration". If within fifteen (15) calendar days of the request for advisory arbitration the parties cannot mutually agree on an arbitrator, they will request a list of five (5) arbitrators from Federal Mediation and Conciliation Service (F.M.C.S.), or the American Arbitration Association (A.A.A.), or the Office of the Superintendent of Public Instruction (O.S.P.I.). Each party will strike one name in turn from this list and the remaining name will be the advisory arbitrator.

-9-

Article III: Grievance Procedure (cont'd.)

The opinion of this arbitrator will be advisory. However, if neither party has formally rejected the advisory opinion within thirty (30) calendar days of the date of the opinion, the advisory decision will become binding on both parties.

Section 3. Stipulations

3.1 Bypassing Steps

If the Association and the Superintendent agree, any Step of the grievance procedure may be bypassed and the grievance brought directly to the next Step.

3.22 Released Time

Should the administration schedule a grievance hearing during working hours that necessitates the presence of an employee and/ or Association representative, the employee and/ or Association representative shall be released from their regular assignment without loss of pay. Should an arbitration proceeding be scheduled during working hours, the Association president(s) or designee(s), the Association Grievance Committee chairperson or designee, and the grievant(s) shall be released from their regular assignments without loss of pay to attend the entire arbitration proceeding. Any District employee called by the Association to give testimony at an arbitration proceeding shall be released from their regular assignments without loss of pay for the time that is necessary for them to come to the arbitration proceeding, give their testimony, and return to their regular assignment. The administration shall be advised by the Association prior to the hearing as to the number of witnesses expected to be called.

3.3. Grievance Withdrawal

A grievance may be withdrawn at any level without establishing precedent.

3.4. Class Grievance

Class grievances involving more than one employee and/ or one or more supervisors, grievances involving an administrator above the building level, or a grievance that applies to the C.E.A. itself may be initially filed at Step Two.

3.5. No Reprisals Clause

No reprisals shall be taken by the District against any employee because of the employee's participation in a grievance.

-10-

Article III: Grievance Procedure (cont'd.)

3.6 Representation

An employee shall have the right to have an Association representative present at all levels of this grievance procedure, and no employee shall be required to discuss a grievance without the presence of an Association representative.

3.7 Disclosure of Pertinent Information

The District shall promptly provide, upon request by the Association, all information and material pertinent to a grievance within seven (7) days following the District's receipt of such request.

3.8 Filing of Materials

All records and materials related to a grievance shall be filed separately from the personnel files of employees.

ARTICLE IV: EMPLOYMENT CONDITIONS

- Section 1.** Teachers shall be required to report not less than ten (10) minutes before the start of school and be in their assigned classroom or at their classroom door not less than five (5) minutes before the start of the school day, except for those situations where a few teachers shall be required for supervision before the opening of school, at which time up to thirty (30) minutes of equivalent released time in their daily work schedule shall be allowed. Each teacher shall otherwise remain after school for a period of ten (10) minutes, unless otherwise excused by his/ her building principal or supervisor; the principal or supervisor shall keep a log of the excuse requests, which shall include specific reasons for the intended absence, excluding Fridays and the days before all holidays, in which case they may be considered excused unless specifically asked to stay by the principal or supervisor.
- Section 2.** Teacher participation in extracurricular assignments shall be made from those who accept voluntarily.
- Section 3.** Each elementary teacher shall be provided fifteen (15) minute morning and afternoon relief periods utilizing teacher aides.
- 3.1 The teacher assistant staff of each elementary building shall include one assistant employed during the lunch periods for the purpose of providing release time to a teacher who would otherwise have supervisory responsibilities. This assistant shall provide relief in turn to each teacher on a rotating basis. It is the intent of the parties that all elementary teachers shall be so relieved on an equitable basis and duty schedules shall be arranged accordingly.

- 3.2 The Board agrees to direct the Administration to review all teachers' duty schedules and to eliminate any unnecessary supervisory duties which are presently being served by teachers.
- 3.3 In order for a deviation from Article IV, Section 3 to occur for any school year, not less than 75% of the Association members in an affected school(s) must vote to approve such deviation. If less than 75% of the Association members in the affected school(s) vote to approve such deviation for any school year, the configuration of teacher relief periods and recess periods for that building shall be as set forth in the first paragraph of this Section. Such deviation shall only be permitted following a vote wherein not less than 75% of the Association members in that school vote in favor of the deviation. Such vote shall be by secret ballot, conducted by the Association through its Building Representatives at that school. Such secret ballot vote shall be conducted one time prior to the end of the school year preceding the school year for which the deviation is being considered.

-12-

Article IV: Employment Conditions (cont'd.)

The Board and the Association agree that any deviations from Article IV, Section 3 which are approved in accordance with the provision of this subsection shall be effective for only one school year, and shall terminate at the end of that school year. Association members within an affected school may renew the deviation for a subsequent school year if not less than 75% of the Association members assigned to that school vote in favor of renewing the deviation. Such a vote shall be by secret ballot, conducted by the Association through its Building Representatives at that school. Such vote shall be conducted one time prior to the end of the school year preceding the school year for which the deviation is being considered. Every Association member assigned to that school shall be permitted to participate in the secret ballot vote.

No further deviations from any provision of the Agreement or from any Board policies shall be permitted without the prior written agreement of the Board and the Association.

Section 4. Secondary teachers shall have at least one preparation period per school day. Preparation periods for elementary teachers shall be provided when specialists are scheduled and when the presence of the teacher is not necessary to the program. Specialist time shall be a minimum of seventy (70) minutes per week at the Kindergarten through 3rd Grade levels, and a minimum of eighty (80) minutes per week at the 4th through 6th Grade levels.

Preparation time shall be defined as the time received by teachers during the normal workday that teachers are expected to spend for the purpose of evaluating students, conferring with parents, colleagues, and/ or administrators, preparing for class lessons and/ or conducting other educational activities. Teachers receiving preparation time may be assigned to cover a class period, subject to the conditions set forth in Section 6 of this Article.

- 4.1 Classroom Interruptions: Interruptions during the regular class periods reduces the effectiveness of the educational process and should be kept to a minimum.

Section 5. The Association and the Board recognize the need for having an adequate but limited number of professional staff meetings.

- 5.1 Building faculty meetings, if scheduled, shall not exceed one (1) per month, except in emergency situations. Such meetings shall be held either before or after the normal school day and shall not exceed one (1) hour in duration. The teachers will be notified five (5) days in advance of such meetings except in cases of emergency.

- 5.2 Departmental or curriculum meetings, if scheduled, shall not exceed one (1) per month per teacher, except under unusual circumstances, in which case two (2) meetings may be held. Such meetings shall be held after the normal "teacher work day" and shall not exceed one (1) hour in duration. The activities of the committee may be determined either by the members of the committee or by the Superintendent's designee.

-13-

Article IV: Employment Conditions (cont'd.)

- 5.3 The Superintendent or his/ her designee may schedule meetings for curriculum planning and textbook evaluation during all or part of the regular "teacher work day." Principals, supervisors, department heads and teachers shall work together in developing plans for curriculum meetings, workshops and institutes.

Section 6. Every attempt shall be made by the administrative staff to obtain an adequate supply of qualified substitute teachers. Only in cases of extreme emergency will the principal assign a regular teacher to serve on a substitute basis. An individual teacher may not be assigned more than one such class per year. Any employee who serves more than one time per year as a substitute shall be compensated at the rate of .00065 of the base salary.

- 6.1 A substitute shall also be provided for the Nurse(s) in the event of absence.

- 6.2 The Board and the Administration agree to hire substitutes for nurse's aides in the event of absence.

- 6.3 The district will make an effort to provide qualified substitutes in the co-taught classrooms for the general education teacher, special education teacher, and/ or the educational assistant(s) when the general education teacher, special education teacher, or educational assistant(s) are absent.

Section 7. All special teachers who teach on a full-time basis shall receive relief and preparation time no less than the regular teacher of that grade level which they serve. Relief and preparation time can be interpreted as conditions other than the actual teacher-pupil performance such as a longer noon hour, recesses, and planning periods that may occur either on a daily or weekly basis.

Section 8. All extracurricular activities for which compensation is paid shall be performed outside of the normal teacher's workday.

- 8.1 This clause shall be inapplicable in any year that the full seven (7) period-day is not in effect.

When two Unit 10 teachers are candidates for the same extra-curricular position and both have virtually the same qualifications, preference shall be given to the candidate who has the lesser number of extra-curricular assignments. Complaints that have not been investigated or which are determined by the Board or its representative to have no validity shall not be placed in the teacher's personnel file.

The teacher shall fill out the appropriate form, indicating the problem and what remedial steps have been taken, and send it to the principal.
- 4.2 A pupil excluded by a teacher shall be sent from the classroom to the appropriate office, and the pupil shall be referred to the building principal or the principal's designee.

Article VI: Staff Protection (cont'd.)

The alleged offense and the past record of the teacher will be taken into consideration when deciding whether to administer discipline and in determining the appropriate degree of discipline. The degree of discipline to be administered in a particular case shall be reasonably related to the seriousness of the proven offense.
- 12 Prior to administering a written reprimand, the administrator issuing the written reprimand shall provide to the teacher written notice of the allegations in question, and shall provide the teacher the opportunity to have a hearing on the allegations before the administrator issuing the written reprimand. If the teacher requests such a hearing, he/ she shall be entitled to have an Association representative of his/ her choice present at the hearing to advise, assist, and represent the teacher. At the hearing, the teacher and his/ her Association representative shall have the opportunity to cross-examine witnesses bringing testimony against the teacher, and shall have the opportunity to present evidence on his/ her own behalf.

Leave shall not exceed one calendar year per pregnancy, and the employee shall retain and accrue seniority during the first year of the leave or part thereof and during any period of Family and Medical Leave, but shall not accrue seniority for any period of the leave that is extended beyond the first year or part thereof, except as required by the Family and Medical Leave Act. The employee shall advance a step on the salary schedule provided that the employee has completed at least 80 days of the school year.
