

August 2017

Dear Parents and Guardians,

As we approach the beginning of a new school year, I would like to take this opportunity to welcome all of you. We seek to afford each student a quality education and foster a love of learning. Your child’s academic performance can be facilitated by parental concern and involvement. Therefore, we need your cooperation and support in order to provide a positive and satisfying experience for your child. Collinsville High School strives to promote academic excellence ... in this there can be no compromise or change.

CHS takes pride in its highly qualified and dedicated faculty. These educators welcome your concern, and they view education as a *partnership* between home and school. If there is anything we can do to help your child, please do not hesitate to call. An unvoiced problem cannot be resolved, as the missed opportunity rarely offers itself again. Our goal remains to provide the best possible education for each student.

The Collinsville High School **OPEN HOUSE** has been scheduled for Wednesday, August 16, 2017 at 6:30PM. *Class periods will be 8 minutes in length.
Passing periods will be 5 minutes in length.*
