COLLINSVILLE MIDDLE SCHOOL HISTORY

Collinsville Unit 10 School District strives to create a school environment where children are intellectually challenged in ways appropriate to their individual strengths, needs, and experiences. In doing so, the teachers, staff, and administration, strive to develop thriving individuals, responsible citizens, and lifelong learners who will be active in their local and global communities. A long-term goal of the Collinsville School District is to move from a neighborhood school model to a centralized grade-level model. One of the first milestones for this goal was the construction of our new seventh and eighth-grade attendance center where we are located this year.

Collinsville Middle School has experienced many changes since opening as North Junior High School in September 1962. All programs of instruction are recognized by the Illinois State Board of Education for Recognized School Districts and/or Attendance Centers. Collinsville Middle School is also renowned throughout the area as a quality educational attendance center and has maintained this tradition throughout the years. Collinsville Middle School currently serves students in grades seven and eight that come from Collinsville Intermediate School. Extracurricular activities include fine arts, music, sports, student organizations, contests and tournaments.

ANNUAL ASBESTOS MANAGEMENT PLAN AVAILABILITY

To All Parents, Guardians, Faculty and Staff

The U. S. Environmental Protection Agency (U.S. EPA) has regulations regarding asbestos-containing material in schools. These regulations require that all schools conduct surveys to identify the presence of asbestos in their buildings and to implement appropriate response actions as necessary.

Also under these regulations, we are to inform annually all parents, guardians, faculty and staff of the presence of asbestos-containing building materials (ACBM) at our facility.

An inspection was performed at all schools located within Collinsville C.U.S.D. #10; furthermore, a site specific asbestos management plan was developed, reviewed by the Principal and the Designated Person, and has been implemented. This plan describes in detail how any asbestos exposures will be minimized.

All parents, guardians, faculty, and staff or others are invited to review this plan, which is available at the School Administrative Office. Should you have any questions or desire further information, please contact the Superintendent's Office.

ASSEMBLIES

The assembly program is an integral part of the total Collinsville Middle School educational program. The assemblies are conducted to complement and enhance the value of the academic/extra-curricular programs. The expectations for student behavior and conduct at assemblies are the same as in the classroom. Students who do not conduct themselves in an appropriate manner during assemblies may receive disciplinary consequences.

ATTENDANCE POLICY

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session. There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

One of the keys to receiving an excellent educational experience is regular school attendance. The Collinsville School District attendance plan complies with the Illinois School Code Section 105 ILCS 5/26-2A. In accordance with the requirements of the School Code of Illinois and in recognition of the responsibilities imposed upon parents therein, it is the policy of the Board of Education of District #10 that students shall attend school during the entire time school is in session and be on time for classes. The Board believes that regular class attendance fosters successful academic performance and development of punctuality, self-discipline and responsibility. The Illinois code defines chronic absenteeism as missing school 5 percent of the previous 180 school days.

The School Code of Illinois defines chronic absenteeism as missing school for five (5) percent of the previous 180 school days. That equates to nine (9) days of absence over a 180-day period. The school will provide three (3) written notifications (to include school and community resources available) before legal action may be taken. The parent and/or student may be subject to legal citation through the courts. Special circumstances such as hospitalization, chronic illness etc. will be considered in this process. Collinsville Community Unit School District Ten (10) appreciates the cooperation of parents and students on this matter of vital importance to your child's education.

ABSENTEEISM/ABSENCE REPORTING

In order for an absence to be considered reported, a parent or guardian is expected to notify the school by telephone between the hours of 7:45 A.M. and 9:30 A.M. State the name of the student who is going to be absent, his/her grade, the reason for the absence, and the phone number where the parent or guardian can be reached for verification. The office number for reporting is (618) 343-2100. The State of Illinois requires we request reasons for absences and to submit a yearly report. If a student's absence is excessive, a physician's note may be requested. Failure to give proper notification to the school will result in an absence being considered as an unexcused absence. The determination as to whether an absence is classified as reported, documented or unexcused is the sole responsibility of the school. The responsibility of the parent or guardian is to report the reason for the absence.

REPORTED ABSENCES

The following shall be the only acceptable reasons for reported absences with full make-up privileges:

1. The student is ill
2. Death in the immediate family
3. Serious family illness
4. Serious home emergency
5. Time is needed for medical or dental appointments
6. Religious instruction/observation such as religious holiday or convocation classes. Written notice must be given to Principal 5 calendar days before absence.
7. Emergency situations which arise that are justifiable in the opinion of the principal
8. One day for each day consecutively missed will be allowed to makeup work

Example: 3 days missed in a row equals 3 days to make up all work missed in those 3 days.

DOCUMENTED ABSENCES

A documented absence will be issued for personal illness, serious family illness, the death of immediate family member, court appearance, or other absence beyond the control of the student. The following documentation must be presented to the Main Office regarding documented absences: 1) Personal illness – a note from a doctor or dentist; 2) Court appearance – a document from the court system. Requests by parents/guardians to have an absence recorded as "Documented" must present the documentations as soon as possible.

EARLY DISMISSALS

Early dismissals will be allowed only in necessary and reasonable situations where no other arrangements can be made. A parent or guardian requesting an early dismissal must present a written request to the office before school starts. This request may be sent with the student. The request must list the name of the student, his/her homeroom, time for the dismissal and a phone number where the parent/guardian can be contacted.

In emergency cases, a parent/guardian phone call stating the name of the student, reason and time for dismissal and the telephone the parent/guardian can be contacted will be accepted.

At the time of dismissal the student must sign out in the office. If the student returns the same day, they must sign in at the office.

UNEXCUSED ABSENCES

The following types of absences are considered unexcused absences:

1. Truancy - any absence from school without school authorization
2. Skipping class(es) - any absence from a class without school authorization
3. Unauthorized - any unauthorized absence from school other than truancy or skipping. Included in this classification are absences for reasons other than those previously mentioned acceptable reasons and absences in which the school is not given proper notification. Any unexcused absences are violations of the law and are the basis for legal action to be instituted in the appropriate courts. Therefore, it is imperative we receive information regarding absences correctly and accurately. We cannot be expected to make reasonable judgments regarding absences unless we have the correct information.

MEDICAL NON-COMPLIANCE-

This is an absence when a student is excluded from school due to not providing their physical examination and immunization requirements. The school nurse will notify the attendance secretary when this applies to the absence. These absences will count towards the tardy letters.

12. This Bullying Prevention and Response Plan is consistent with the policies of the school board.

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, immigration status, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function, or program.
5. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
6. Causing a substantially detrimental effect on the student's or students' physical or mental health;
7. Substantially interfering with the student's or students' academic performance; or
8. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyber-bullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyber-bullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Students who make good faith complaints will not be disciplined.

Sexual harassment of students is prohibited. Any person, including a district employee, district agent, or student engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that: 1) Denies or limits the provision of the education aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or 2) Has the purpose or effect of: a) Substantially interfering with a student's educational environment; b) Creating an intimidating, hostile or offensive educational environment; c) Depriving a student of educational aid, benefits, services or treatment; or d) Making submission to or rejection of such unwelcome conduct the basis for academic decisions affecting a student. The terms 'intimidating', 'hostile', and 'offensive' include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

HAZING

Soliciting, encouraging, aiding, or engaging in hazing is prohibited. 'Hazing' means any intentional, knowing, or reckless act directed against a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any organization, club, or athletic team whose members are or include other students. Students who engage in hazing that endangers the mental or physical health or safety of another may be subject to disciplinary action including but not limited to, suspension and expulsion consistent with the school and district's disciplinary policy.

FIGHTING

Fighting with or any assault of another student involves any intentional physical contact (i.e. hitting, slapping, punching, shoving, etc.) – including, but not limited to, self-defense. Police may be notified with possible legal action for disorderly conduct or breach of the peace on school property in addition to any school discipline issued. Students involved in any fighting may be disciplined as deemed necessary by the school administration which includes Detentions, In-School Supervision, Out-of-School Suspension or a referral to the Board of Education for possible expulsion for up to two calendar years.

TEEN DATING

Engaging in teen dating violence that takes place at school, on school property, at school sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, the term *teen dating violence* occurs whenever as student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationships.

ADVICE TO STUDENTS

If another student who threatens you and wants to fight approaches you, simply tell the nearest staff member or go to the principal's office and report the situation. DO NOT involve yourself in a fight; if you do, you will receive disciplinary consequences. When such an event happens, an investigation of the activity is conducted by the administration, and discipline may be issued to all participants. Usually, the fight is a result of a web of circumstances and arguments that have transpired for days or even weeks.

BUS CONDUCT AND SAFETY

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the build-

ing principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternate transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something

DISCIPLINE PROCESS

All students, regardless of age, are subject to the rules and regulations of the School District when riding a bus. When a student's bus riding privileges are suspended, the suspension includes field trips and extracurricular activities.

BUS CONDUCT

Students are expected to follow all school's rules when riding the bus. A student may be suspended from riding the bus for up to 10 consecutive days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating a school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the CMS Administration deems to threaten the safe operation of the bus and/or its occupants

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the bus for a period in excess of 10 days for safety reasons.

RIDING ANOTHER BUS

If your child needs to ride a different bus for safety purposes or in an emergency situation, you must notify the main office and provide a signed explanation. Riding another bus is at the sole direction of the Principal and is also determined by the space available on the buses.

TRANSPORTATION REIMBURSEMENT

Notice of the statutory transportation reimbursement eligibility requirements shall be available by November 1 of each year and claim forms shall be available by March 1 of each year in the school office. There is an existence of dispute resolution procedure regarding reimbursement disputes as per Illinois School Code; contact the school office for information.

CAFETERIA

(105 ILCS 125/1 and 7 C.F.R. 240.10)

The school cafeteria is a vital part of our school. To encourage good nutrition, a well-balanced breakfast and lunch is offered at reasonable prices. A snack bar is also available. Students may choose to bring lunches from home. No student is allowed to leave the campus without permission from the office. Lunch is a scheduled period. All students must report to the cafeteria for their assigned lunch period and remain there until instructed to leave by the cafeteria supervisors.

Collinsville Middle School offers a breakfast and lunch program to assist families in maintaining the nutritional needs of our students. Applications for free and reduced breakfast and lunch are available at the school office. Approval for free/reduced lunch and breakfast programs will be mailed from the District's Cafeteria services. You may contact the Cafeteria at 346-6350 ext. 1147 if you have ques-

tions or go to the CUSD Website at www.kahoks.org.

All students will have an established debit account, although you will not be required to make advanced payments because the system has the ability to act as a cash register and can accept cash payments on a daily basis. However, for your convenience, you may wish to choose one of the following options for making advanced payments. To prevent fraudulent use of student accounts, one of the registers will be equipped with a digital camera that will take digital image of your son or daughter and download it into the system the first time they purchase foods in the cafeteria. This digital image will appear on the monitor for the cashier to view every time your child accesses his or her account, therefore insuring that no other student can use your child's account.

ADVANCED PAYMENT OPTIONS

Option #1: Cash on Account

A cash debit account is created by making a payment of a certain dollar amount (\$5.00, \$10.00, \$20.00, etc.) to the cafeteria. These funds are then deposited into your son's or daughter's debit account and available to your child when purchasing lunch and/or a la carte foods in the cafeteria. There are no limitations as to what may be purchased or how many purchases may be made. The account balance will simply decrease as purchases take place.

Option #2: Prepaid Meals Only

Meals may be purchased in advance and moneys put on account can be designated for student meals only. No snacks or a la carte food items can be purchased with this payment. Your son or daughter will need to pay cash for any snack or a la carte items being purchased. This payment amount would be calculated by determining the number of meals you wish to purchase and multiplying by the meal price determined by the food service company. Any number of meals may be purchased at one time.

Option #3: Both: Prepaid Meals and Cash on Account

You may purchase prepaid meals and put "cash on account." This option ensures that your child receives a lunch and allows him or her to purchase a la carte foods as well. However there are no limitations as to what foods may be purchased a la carte, or how many a la carte purchases can be made. When making a payment for both, please state clearly how much money is for prepaid meals and how much is for "cash on account."

Money can be deposited into your child's debit account regardless of your son or daughter's meal status and can be used for meals and/or a la carte food purchases. Money will not be deducted automatically; it will only be deducted when your child uses his or her account. The system will know the meal status of you student and the money will be deducted accordingly. There is not a limit on the amount of money that can be deposited into the debit account. Cashiers will have pre-printed envelopes available to be used when making advanced payments. To make an advanced payment, fill out the information on the outside of the envelope, enclose payment, and return envelope with payment to the cafeteria in the morning. When the account balances reach below \$5.00, the cashier will remind the student by providing him or her with a pre-printed envelope.

CAFETERIA RULES

Lunch is like a class. Be there on time! Remain in designated areas until the bell for the next passing period.

1. You must arrive to the cafeteria on time.
2. You may not go to your lockers during lunchtime without a pass.
3. No book bags may be brought to the cafeteria. Books may be taken to the cafeteria.
4. Clean up your own spills.
5. Throw away your own trash.
6. No food is to be taken out of the cafeteria.
7. Throwing food is not allowed.
8. Students will be able to go outside after eating with Administrative discretion.

Students who do not comply with the cafeteria rules will be subjected to consequences that may include parental notification, Detentions, In-School Supervision, suspension from school, and/ or any such action as may be deemed appropriate.

Federal School Lunch Regulations prohibit competition with the school lunch program. In keeping with these Federal regulations, food that is purchased at local restaurants cannot be brought to school for students during the lunch periods. Students may bring sack lunches from home as an alternative to the school lunch program if they so desire. The sharing of food brought from home is discouraged due to health concerns.

Line Infractions

1. Buying food for someone else is not allowed.
2. Cutting in line is not allowed.
3. You will report to the school administrator for line infractions.
4. You may bring your lunch to school, but lunches may not be brought in to you.

CAMPUS MONITORS

The Unit 10 Board of Education has appointed campus monitors with duties and responsibilities to assist the teachers and administration with maintaining order, discipline, and supervision on campus and in the cafeteria.

The monitors are authorized school personnel. In disciplinary and supervisory situations, the monitors will provide supervisory duties to ensure the safety of the students in the absence of a teacher. Students are held directly responsible to them. Failure to cooperate with

the monitors in maintaining discipline on campus will result in disciplinary action in accordance with school policies and procedures.

CELL PHONE/ELECTRONIC COMMUNICATION DEVICES MOBILE INTERNET DEVICES, PERSONAL LAPTOPS, NETBOOKS

Students may possess cell phone/electronic communication devices, mobile internet devices (MID), personal laptops, netbooks while on school property to use as an educational tool and may use these devices only before school starts, in the cafeteria during the student's assigned lunch period and after school ends in adult supervised areas only. These devices should be used for educational purposes during these times. Students may not use cell phone/electronic devices during instructional time or in academic areas except at the expressed consent of the classroom instructor for educational purposes. The use of cell phones/electronic communication devices, mobile internet devices (MID), personal laptops, and netbooks will be at the discretion of the teacher. Technological devices may not be used to invade the privacy of any student or staff member, to violate the rights of any student or staff member, or to harass any student or staff member. Actions including, but not limited to, harassing or bullying students or harassing school personnel, taking still photos or videos of other students or district employees without prior consent, recording an individual's voice or image without consent, transmitting still photos, audio and/or videos of other students or district employees in any manner, including but not limited to uploading them to internet websites, without prior consent, or storing/accessing personal and/or academic data without consent are prohibited and subject to disciplinary action and referral to legal authorities. Picture phones and other recording devices are banned from locker rooms, bathrooms, changing rooms and any other school facility location where a person's expectation of privacy should be respected. The possession or distribution (including attempt to obtain or distribute) lewd images (including sending, receiving, or possessing sexually explicit or otherwise inappropriate pictures or images, commonly known as 'sexting') is prohibited and subject to disciplinary action and referral to legal authorities. Students using technological devices to invade the privacy of any student or staff member, to violate the rights of any student or staff member, or to harass any student or staff member as described above may be subject to the following disciplinary action: 1) Detention(s), 2) In-school Supervision, 3) Out-of-school Suspension for up to ten (10) days and referral to the Board of Education for possible expulsion for up to two (2) years; 4) legal action through local law enforcement. Emergency use of a cell phone, when at all possible, should have prior approval from a school administrator. Parents needing to contact their child should do so by contacting the main office at 343-2100.

Inappropriate use will result in disciplinary action, and may result in the loss of the privilege of using the electronic device.

The following discipline action will be assigned:

1st offense – Warning from School Administrator, student may pick up the electronic viewing/listening device after school;

2nd offense - 2 Detentions, a parent/guardian must pick up the electronic viewing/listening device;

Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

DISCIPLINE & CONDUCT

Discipline is determined on a case-by-case basis and is at the discretion of school administrators and the Board of Education. The level of consequences imposed will be consistent with The Illinois School Code. Out of School Suspensions and expulsions are only used for legitimate and educational purposes. The district will make all reasonable efforts to resolve such threats, address disruptions and minimize the length of exclusion to the greatest extent possible before disciplining a student with a suspension or expulsions. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance or other substance that is prohibited by this policy.

21. No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

When and Where Conduct Rules Apply

The grounds for disciplinary action also apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen or damaged property.
6. Lunch Detention.
7. In-school supervision.
8. After-school detention provided the student's parent/guardian has been notified. (If transportation arrangements can not be made in advance, an alternative disciplinary measure will be assigned to the student.)
9. Community service.
10. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
11. Suspension of bus riding privileges.
12. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.

14. Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law.

Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

SUBSTANCE ABUSE OPTION

For certain alcohol and drug related offenses; a student may be referred to a substance abuse program. If offered this option, the student's recommended discipline may be reduced. In lieu of a recommendation for expulsion, the student and parent(s)/guardian(s) must agree to an assessment/treatment alternative. If the parent(s)/guardian(s) accept the assessment, they must consent to release information between the school district and the substance abuse program and comply with all terms and conditions as determined by the appropriate administrator. The service provider must be approved by the building principal (or designee). Parent(s)/guardian(s) must make contact within the first five days of the suspension to set up an appointment with the selected service provider and notify arrangements with the principal (or designee). Upon confirmation of the appointment, the recommendation for expulsion will be conditionally withdrawn.

After the appointment is made, the principal (or designee) must be contacted by the service provider and be notified of the initial assessment date. After the assessment is complete, the service provider must verify that the student was assessed and inform the principal (or designee) of the expected length of treatment and or education program. If treatment is long-term, the service provider must contact the principal (or designee) minimally every month to provide and updated on the student's progress. Should the student terminate treatment/education prematurely or miss more than two appointments, the principal (or designee) will be notified and the recommendation for expulsion shall be renewed. When treatment/education is completed the service provider will send the principal (or designee) a final report verifying that treatment has been completed in addition to any other appropriate information. Any second drug/alcohol violation during a student's middle school career will result in a ten (10) day out-of-school suspension and a recommendation for expulsion with no opportunity for the assessment/treatment alternative.

NOTE: All costs associated with any assessment, education program or treatment referred to herein above shall be borne exclusively by the student and the parent(s)/guardian(s). The administration reserves the right to withhold this option and/or recommend expulsion for a first offense. The administration further reserves the right to recommend expulsion of a student who has been offered and accepted the substance abuse option if he or she commits any major behavior violations.

DISCIPLINE - PROCEDURES FOR RESOLVING SCHOOL PROBLEMS

School problems can best be resolved at the campus level where problems start. In order to resolve problems, parents/guardians and students can meet with a teacher or team at an appropriate time to discuss existing problems. If the parents/guardians or students are dissatisfied with the teachers' decision or explanation, they can meet with the grade level administrator to review the area of concern. If further assistance is needed, parents/guardians or students may meet with the building principal.

DISCIPLINE - STUDENT & PARENT INTERVENTION RESPONSIBILITIES

The effective enforcement of a school based disciplinary management style is essential in keeping school and school-related activities free of disruption and are dependent upon the following:

STUDENTS

- Adhere to classroom, school, and district rules and regulations for behavior and good conduct.

PARENTS

- Support classroom rules for student's behavior and ensure that their children conduct themselves according to district standards.
- Parents must present the school office with the most recent information in order to complete a formal change of an address or telephone number. Only the parent/guardian or legal custodian may request a change of address or a change made to the logged phone number.
- Ensure student attendance at school. By state law, student attendance is the sole responsibility of the parent or legal guardian.
- Provide the appropriate school personnel with any student information that will affect the student's ability to learn and/or the student's behavior.
- Read, acknowledge, and understand the rules applicable to their children's conduct while they are at school or school related activities.

TEACHERS

- Establish classroom management procedures that concentrate on good student conduct and support school and district policies and procedures.

ADMINISTRATORS

- Develop with all members of the school community an effective school-based discipline management system that promotes and maintains the support of good student behavior.

BOARD OF EDUCATION

- Serious offenses are those that substantially disrupt or materially interfere with the orderly process in the classroom, the school, bus transportation, or any school related activity and may include persistent misbehavior. Persistent shall be defined as more than one repeated instance of administrative infraction. An administrator may find, on basis of the facts and circumstance of the case, that a student that may benefit in an alternative educational setting.

DISCIPLINE OPTIONS - LEVELS

Staff members will use their professional judgment to determine the most effective way to correct student misconduct. Disciplinary actions apply equally to all students.

School officials shall limit the number and duration of expulsions and out-of-school suspension to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, and of the following measures:

1. Detentions

Reason for Detention: A teacher, staff member, or an administrator can write a referral for any reason considered interfering with the education process or noncompliance of school rules.

Notice: A one (1) day notice of before/after school detentions must be given by all teachers in order for the student to inform their parents, to arrange transportation, and to notify the location of the detention.

Lunch Detentions: Assigned by administration and are served during student's lunch period. Students in Lunch Detention will have a lunch provided to them (based on their recorded lunch status) or will be permitted to bring lunch from home.

Absences: If absent or suspended, the student is required to serve the detention the next day he/she returns to school. It is the student's responsibility to remember the detention obligation.

Detention Rules: All school rules apply to detention. A student cannot be late or disruptive for detentions and must be busy with schoolwork during the entire detention period. Students are expected to arrive in the detention room on time, bring and work on assignments/school work.

Skiping Detention or Not Following the Rules of Detention: If a student skips detention or chooses not to follow the rules of detention, then the student may be assigned more detentions or ISS.

Tardy Detention: Tardy detentions will be assigned by administration.

Teacher Detention: Teacher detentions will be held by the classroom teacher in a supervised classroom before or after school, or during lunch periods.

Problems: If a student or parent has questions concerning detention, they should contact the teacher regarding teacher-issued detention(s) or contact the administrations regarding administrative-issued detention(s).

2. In-School Supervision (ISS)

In-school supervision may be offered as an alternative to out-of-school suspension.

1. Students assigned to In-School Supervision (ISS) must first report to first period class and then proceed to the ISS room.

2. It is the student's responsibility to obtain homework assignments and take work materials to ISS daily. Administrators will give students ample time to collect homework assignments.

3. Any student who refuses to report to ISS will be subject to STOP or out-of-school suspension.

4. The rules of ISS are posted in the ISS room and are available to parents/guardians upon request.

5. Failure of In-School Supervision (ISS); Students must pass a full day of ISS to fulfill their ISS obligation. The ISS Supervisor will determine whether a student passes or fails based on the compliance of the student to the rules of ISS. If a student chooses not to follow proper ISS procedures, s/he may be suspended out of school for the day s/he failed. Based on the reason for ISS failure, the remaining ISS days may be turned into STOP or Out-of-School Suspensions. Parents are encouraged to avoid scheduling appointments or requesting early dismissal(s) of students on an assigned, ISS day(s). Changes to the ISS date(s) selected by administration may only occur when the parent/guardian of the assigned student contacts the administrator who made the assignment to request an alternative ISS date(s). CMS encourages all students to serve ISS assignments; parent(s)/guardian(s) may opt for their child to serve one day of Out-of-school suspension for every ISS assigned to their child, but it is highly discouraged.
6. Students who are absent from school on days to be spent in ISS will have to make up the days absent when they return to school.
7. Homework assignments completed during ISS can be turned in for credit when the student returns to regular classes. Quizzes and tests missed while a student is assigned to ISS can be made up.
8. All students in ISS will have a lunch provided to them (based on their recorded lunch status) during a common ISS lunch period.
9. ISS assignments must be served on school days when school is in session. In the event that the ISS day(s) assigned to a student spans a day(s) classified as a district emergency day (i.e. snow day) the emergency day(s) will not be counted toward the fulfillment of the ISS assignment.

3. Out-Of-School Suspension

For discipline violations including, but not limited to, fighting, weapons, drugs, alcohol, fire alarms, fireworks, continued misconduct, ISS violations, insubordination, or misconduct, out-of-school suspension may be used. The discipline will be determined on a case-by-case basis. Students who are suspended out-of-school are not to be on campus during suspension, except with administrative authorization. Unauthorized campus visitation may result in charges of trespassing being filed. Parents/Guardians may request homework during OSS by contacting a school secretary and to arrange a time for pick up (Refer to Reported Absence Policy, #8). OSS assignments must be served on school days when school is in session. In the event that the OSS day(s) assigned to a student spans a day(s) classified as a district emergency day (i.e. snow day) the emergency day(s) will not be counted toward the fulfillment of the OSS assignment.

- The Short Term Option Program (STOP) is a program created by the Madison County Regional Office of Education that is funded by a coalition of school districts including the Collinsville Community Unit School District #10. This program strives to offer students with an OSS penalty a structured setting where instruction and direct supervision may continue away from their school of regular attendance. The current location for the STOP alternative is the Freeman School located in Troy, IL. Students who utilize this alternative will be transported by school bus from their school of regular attendance to the STOP facility. Parents are not permitted to “drop off” or “pick-up” students from the STOP facility.

STOP is utilized in conjunction with the Out-of-School Suspension (OSS) penalty for less severe and/or habitually-committed offenses. Although STOP is only offered for offenses which warrant OSS as a penalty, Administration reviews the nature and extent of one’s involvement in an infraction when choosing to offer the STOP alternative as a discipline penalty. Parents reserve the right to accept or reject the STOP alternative when presented by Administration as a discipline penalty. If the STOP alternative is rejected, the student will serve a typical, OSS penalty. If the STOP alternative is accepted, parents acknowledge that they will adhere to the following: Provide transportation for the student to the school prior to the time slotted for school bus arrival (Administration will disclose the time); Provide the cost for a lunch to be purchased at the STOP center (outside food or beverages are not permitted); Inform the Administration if the student is to be picked up from CMS by parental transportation or transported from CMS by his/her regular school bus when the school day has concluded.

Procedures:

An administrator will contact parents regarding the misconduct and consequences. An administrator may contact the School Resource Officer or other necessary agencies.

4. Expulsion

For discipline violations that include serious misbehavior and/or illegal acts that threaten to impair the education efficiency of the school and/or that seriously disrupt the orderly educational process in the classroom and/or school. Expulsion may occur if misbehavior occurs on school property or at any school-sponsored or school-related activity on or off of school property. Expulsion means removal of a student from school for more than ten consecutive school days and possible placement in an alternative setting for one to two school years.

At the expulsion hearing, the Board or hearing officer shall hear evidence of whether the student is guilty of the gross disobedience or misconduct as charged. After presentation of the evidence or receipt of the hearing officer’s report, the Board shall decide the issue of guilt and take such action as it finds appropriate.

SUPPORT SERVICES A student who has been suspended for more than 4 days may be provided with support services as deemed appropriate by school officials.

RE-ENGAGEMENT OF RETURNING STUDENTS

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion, or alterna-

tive school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion. Additional re-engagement services may be provided as deemed appropriate by school officials.

Other misbehavior or discipline issues that may arise and not addressed specifically in this section, will be handled by the administration in a manner that is consistent with the Collinsville Unit 10 District Policy Manual and the Illinois School Code Laws.

DISCIPLINE OF STUDENTS WITH DISABILITIES

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Discipline of Special Education Students

The District shall comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education's Special Education rules when disciplining special education students. ENGLISH LEARNERS

Collinsville Middle School places students with limited English proficiency in classrooms with teachers who are certified to teach them. Less than one percent of our student population currently needs these services. Working with other schools in our district, Collinsville Middle School established a program for appropriately identifying students with limited English proficiency and determining the appropriate instructional environment for each student. On a regular basis we assess the English proficiency of these students and monitor their progress in order to determine their readiness for a mainstream classroom environment. Over time, all students that receive limited English proficiency services become fully integrated into the classrooms.

As part of our Limited English Proficiency program, we notify parents/guardians of, and provide information about: (1) the instructional program, reasons for their child's identification, (2) their child's level of English proficiency, (3) the method of instruction to be used, (4) how the program will meet their child's needs, (5) specific exit requirements of the program, (6) how the program will meet their child's IEP, if applicable, and (7) information on parent/guardian rights. Parental involvement will be encouraged and parents/guardians will be regularly apprised of their child's progress.

The parents/guardians of limited English proficient students are given an opportunity to provide input to the program and are provided notification regarding their child's placement in, and information about, the school's Limited English Proficiency program.

Parents who sign for their child do so with the understanding that their child will read and follow the policies and procedures set in place for CMS students by the CUSD No. 10 Board of Education.

HEALTH SERVICE

Collinsville Middle School Health Service provides emergency care and referral services through the Health Office. The phone number for the Health Office is (618) 343-2161. The health and welfare of every student is important. Regardless of the nature and extent of a student's illness or injury, it should be reported to the nurse. Staff members can refer students to the health office and students can refer themselves by requesting a pass from a staff member.

Parents are encouraged to contact and/or present medical documentation of any injury sustained outside the school day and school grounds that may warrant a change in the routine of the student or warrant the use of medical devices (i.e. crutches and wheelchairs). Students without proper medical documentation and authorization from the health office may not bring or use any medical device at school (i.e. crutches, wheelchairs, scooters, etc.).

EMERGENCY REFERRALS

Serious illness or injury must be reported immediately to the health office. If a student is too ill or seriously injured and cannot report to the health office on his own, the teacher should contact the main office. If the student is too ill or seriously injured to remain at school, the nurse will make all of the necessary arrangements for the student to go home.

NON-EMERGENCY REFERRALS

Situations that do not demand emergency treatment can be referred according to the following procedure.

1. The student reports to class and requests a pass to go to the health office.
2. The student will go directly to the health office and remain there until released. If the nurse is not in, report to the Main Office.
3. If the student is too ill or seriously injured to remain at school, the nurse will make all of the necessary arrangements for the student to go home.
4. Parents will be contacted to make arrangements to pick-up the student.
5. It is at the nurse's discretion as to whether there is indication for the student to be sent home ill.
6. If the child has been found to have a head lice infestation (live bugs) the child should have limited direct contact with other students until treated, parents should be notified, and student sent home as soon as possible. Prompt treatment is recommended. If nits only are found on a student, it should be at the nurse's discretion to send the student home right away or at the end of the day (few nits that can be removed by the nurse versus numerous nits that cannot be removed in a timely manner at school). Parent notification of the affected student should be made as soon as possible. Upon returning to school, parents should accompany students to the health room for a head check before they enter the classroom. Parents should be aware that if live lice and nits remain, a child may be sent back home.

STUDENT HEALTH SERVICE RECORDS

1. Students must have a completed physical/dental/eye exam and up-to-date immunizations on file in the health office. Required grade levels include: Physicals (PreKindergarten/Kindergarten/sixth/ninth), Dentals (Kindergarten, second, sixth), Eye exams (Kindergarten or any grade level transferring into an Illinois school for the first time). If these required exams/immunizations are not on file by the district exclusion date, your child may be subject to exclusion from school until all requirements are met.
2. Proof of at least one Tdap immunization (grades 6 thru 12). Proof of Meningococcal Immunization (grades 6 and 12).
3. The emergency health information section must be completed at the time of online registration. Additional emergency health information can be shared with the school nurse at any time.
4. Students will be excused from physical education classes by written direction from a doctor. A written release from a doctor is needed to return to physical education classes. Student may be taken out of physical education classes at the discretion of the school nurse, or written request from a parent/guardian, not to exceed two days of missed PE class. After two days of missed PE class, a written doctor's excuse is required.

STUDENTS ARE NOT ALLOWED TO CARRY ANY TYPE OF MEDICATIONS WHILE IN SCHOOL OR RIDING A SCHOOL BUS.

(Unless the physician/parent/school personnel agree that it is medically necessary for the student to carry his/her inhaler, Epi-Pen, or diabetic supplies. If it is necessary to carry these medications/supplies on the bus, an *Emergency Medical Information for Students with Special Needs/Medical Concerns During Bus Transportation* form may be completed.)

2. **Epi-Pens** may be carried and self-administered by the student if the physician indicates in writing on the medication request form that it is medically necessary that the Epi-Pen be carried by the student at all times and that the student has been instructed in the use and self-administration of the Epi-Pen and can fulfill the requirements of the procedure. (The student will be issued a permanent pass for the school year at the senior high level).

Inhalers may be self-administered with a parent's written consent and presentation of the pharmacy label. The "Student Medication Authorization Form" does need to be signed by the physician for inhalers that will be kept in the health room. It is recommended to keep an extra inhaler in the health room for emergency use even if the child will carry the inhaler on his/her person.

3. All medications administered to students during school hours must be transported to and from school by a parent or another adult acting on the parents' behalf.
4. **All requests to administer medication (prescription or non-prescription) to students must be in writing on the designated "Student Medication Authorization Form" and signed by the parent or legal guardian and the physician or appointed designee. Medication will not be administered unless a request form is properly completed and the medication is labeled properly.**
5. All medications, prescribed by the physician, must be in the original pharmacy container. **Prescription medication must have the pharmacy label on the medication bottle, box, or administration device. Non-prescription medication must come in a new sealed container.** Any change in the dosage of the medication and/or the directions for use will require a corrected pharmacy label indicating the changes and a signed note from the physician.
6. All medications given at school require a new Student Medication Authorization Form at the start of each school year. The medication must be labeled with a current pharmacy label clarifying any changes in dosage or administration directions.
7. **The administration of any medication containing a narcotic is discouraged during school hours.** If a student requires medication of this type for pain, it is recommended that he/she remain at home until a milder form of medication is indicated. It is highly recommended that parents do not administer narcotics before school due to safety issues at school.
8. **Cough drops are permitted at the elementary and intermediate levels (Pre-K to 6th) with a medication permission form or dated note signed by parent. All cough drops need to be in a new, sealed package.** Student will be asked to stay in the health room or supervised by the teacher in the classroom while the cough drop is administered. However, cough drops are discouraged at this grade level due to risk of choking.
9. **School personnel will destroy any medication that is not removed from the school at the end of the school year.**

Recommended Guidelines for Medication Administration in Schools

Illinois Department of Human Services and Illinois State Board of Education, 9/2000

HEARING AND VISION SCREENINGS

The Illinois Department of Public Health requires certain grade levels be screened for hearing and vision. Certified vision and hearing technicians will perform the screenings. Hearing screening will be conducted for early childhood, pre-kindergarten, kindergarten, first, second, third, and special education students. Vision screening will be conducted for early childhood, pre-kindergarten, kindergarten, second, eighth, and special education students. Color vision screening will be performed for second grade. Vision screening is not a substitute for a complete eye exam by an eye doctor. If your student has completed a hearing or vision exam within one year, you may send a copy of the report to the school to be kept with your child's health record. Only if this documentation is present will your child be exempt from testing. Your child may also be screened during the school year upon request of the teacher based on the observable signs of hearing or vision difficulties in the classroom. If your child fails either the hearing or vision screening, you will receive a letter of

notification.

AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

The state of Illinois requires all public indoor athletic facilities with participants of 100 or more to have AEDs. This includes schools with gymnasiums/wrestling rooms/weight training rooms/physical education classes. An AED (Automated External Defibrillator) is a device that is designed to shock a fibrillating heart back into a normal rhythm. These are safe and effective life-saving devices. There is no danger to students, staff, or visitors. No accidental shock can be given. The device will only shock a fibrillating heart. All CUSD 10 school buildings are equipped with AEDs. There are additional AED's available for events and athletic practices. Several staff members have complete CPR/AED training. Please make your child(ren) aware that these units will be in the buildings. They will be housed in wall hanging cabinets and should not be tampered with by students.

COMMUNICABLE DISEASES/SCHOOL EXCLUSION FOR ILLNESS GUIDELINES

The district follows recommendations from the CDC and IDPH regarding exclusion from school for communicable diseases. Exclusion details regarding chicken pox, the common cold, contagious conjunctivitis, fever, viral gastroenteritis, German measles, Hepatitis A, impetigo, influenza, measles, mumps, viral meningitis, pediculosis, ringworm, scabies, strep throat, scarlet fever, staph and MRSA, and oxygen saturation can be found on the district's website at <http://www.kahoks.org/parents-student/health.html>. Students should not attend (or return to) school until 24 hours after a fever of 100 degrees or greater (without medication), diarrhea, or vomiting. Some illnesses may require mandated reporting to the local health department by school staff.

MEDICATION – AUTHORIZED USE OF

A student may possess an epinephrine auto-injector (EpiPen) and/or an asthma inhaler prescribed for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or asthma inhaler, or the administration of any physician ordered medication by school personnel.

STUDENTS WITH FOOD ALLERGIES AND OTHER LIFE-THREATENING ALLERGIES

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules. **If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal and/or school nurse at (618) 343-2100.**

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your child has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed support so that your student can access his or her education as effectively as students without disabilities. Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

If your child has a life-threatening allergy, an emergency action plan and health care plan will be developed and implemented in order to provide the best care for your child. If an EpiPen auto-injector has been prescribed, the parent/guardian will be responsible for notifying the principal and/or school nurse and providing the necessary emergency medication.

CARE OF STUDENTS WITH DIABETES

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school nurse or principal. Parents/guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan. For further information, please contact the school nurse or principal.

SPECIAL NEEDS/MEDICAL CONCERNS DURING BUS TRANSPORTATION

This form is available from the school nurse in the Health Office. The purpose of this form is to give school bus drivers/monitors information about children who may have special needs or medical concerns during bus transportation. However, the school bus drivers/monitors are not responsible for and will not give/monitor medications on the bus. The school bus drivers/monitors are not trained health care providers. No medication should be carried or used on the bus unless specific arrangements have been made with the school nurse (inhaler/EpiPen/diabetic) and in accordance Board Policy 7:270. In an emergent situation, a bus driver should pull to a safe stop and notify dispatch to call 911. Example of this may include but are not limited to: grand mal seizure, severe asthma attack, allergic reaction with respiratory difficulty, and/or severe bleeding from a wound. This form will be kept in the school Health Office, with a student's 1EP/504, with a student's HCP, and/or at the bus company.

MEDICINAL MARIJUANA

The Compassionate Use of Medical Cannabis Pilot Program Act (410 ILCS 130 et seq.) strictly prohibits the possession and use on school grounds and on school buses. A student who has been prescribed medical marijuana must provide the District with a doctor's prescription for medical marijuana. A parent or guardian may remove the student from school grounds to administer the prescribed dose of medical marijuana. The school nurse will assist with coordination and monitoring the student's use of medical marijuana.

EXEMPTIONS

1. Religious Objection-a student's parent/guardian presents a Certificate of Religious Exemption to the school nurse/principal. The district religious objection form can be obtained from the building school nurse/principal. This statement must be approved by the district superintendent or appointed designee.
2. Medical Objection-a student's parent/guardian presents to the school nurse/principal a written and signed statement from the child's physician indicating the reason for the exemption. This statement must be approved by the district superintendent or appointed designee.
3. Eye exam requirement-the student's parent/guardian shows an undue burden or a lack of access to a licensed optometrist/ophthalmologist. A signed eye exam waiver must be on file.
4. Dental exam requirement-student's parent/guardian shows an undue burden or a lack of access to a dentist. A signed dental exam waiver must be on file.

HELP AND RESPONSE TEAM

The H.A.R.T. members are trained staff from within the Collinsville School District. Members include administrators, counselors, social workers, psychologists, nurses, speech/language pathologists, classroom teachers and special education teachers. Each H.A.R.T. member has completed an intensive training from "The National Institute for Trauma and Loss in Children". The time requirements and the frequency of homework will vary depending on a student's teacher, ability and grade level. The student shall have the responsibility to contact their teacher(s) concerning a plan for completing make-up work within a reasonable time (this usually means one (1) day for each day absence).

2. Study conditions such as good lighting, proper ventilation, and quietness should prevail;
3. Have necessary materials at hand;
4. Try to develop the skill of working independently others;
5. Spend enough, but not too much time on each subject.

INTERNET AND TECHNOLOGY ACCEPTABLE USE

All use of electronic network use must be consistent with Collinsville School District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These rules do not attempt to state all required or proscribed behavior by users. However, some specific examples are provided. **The failure of any user to follow these rules will result in the loss of privileges, disciplinary action, and/or appropriate legal action.**

In accordance with federal law, the district provides CIPA (*Children's Internet Protection Act*) compliant web filtering for students on any Internet connected device within the boundaries of the district network. The district recognizes that although the Internet and online services afford access to legitimate sources of information for academic and educational purposes, these resources can also afford access to materials which may be illegal, obscene or indecent. The district will make every effort to protect students from inappropriate material while still allowing access to valuable academic content.

All users must be aware that use of the district's electronic networks and systems may result in public disclosure of the data and information associated with those systems under the *Illinois Freedom of Information Act*.

Acceptable Use - Access to the electronic network must be: (a) for the purpose of education or research, and be consistent with the District's educational objectives, or (b) for legitimate business use.

Privileges - The use of the electronic network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator or Building Principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time.

Unacceptable Use - The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:

1. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any State or federal law;
2. Unauthorized downloading of software, regardless of whether it is copyrighted or de-virused;
3. Downloading of copyrighted material for other than personal use;
4. Using the network for private financial or commercial gain;
5. Wastefully using resources, such as file space;
6. Hacking or gaining unauthorized access to files, resources, or entities;
7. Invading the privacy of individuals, that includes the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature including a photograph;
8. Using another user's account or password;
9. Posting material authored or created by another without his/her consent;
10. Posting anonymous messages;
11. Using the network for commercial or private advertising;
12. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material; and
13. Using the network while access privileges are suspended or revoked.

Network Etiquette - The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not become abusive in messages to others.
2. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
3. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.
4. Recognize that electronic mail (e-mail) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the network in any way that would disrupt its use by other users.
6. Consider all communications and information accessible via the network to be private property.

No Warranties - The school and district make no warranties of any kind, whether expressed or implied, for the service it is providing. The school and district are not responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The school and district specifically deny any responsibility for the accuracy or quality of information obtained through its services.

Indemnification - The user agrees to indemnify the school and district for any losses, costs, or damages, including reasonable attorney fees, incurred by the school or district relating to, or arising out of, any violation of these procedures.

Security - Network security is a high priority. If the user can identify a security problem on the Internet, the user must notify the system administrator or building principal. Keep your account and password confidential. Any user identified as a security risk may be denied access to the network.

Vandalism - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

Telephone Charges - The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules - Copyright law prohibits the republishing of text or graphics found on the Web without explicit written permission.

1. For each re-publication (on a Web site or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
2. Students engaged in producing Web pages must provide library media specialists with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of "public domain" documents must be provided.

3. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Web site displaying the material may not be considered a source of permission.

Use of EMail – The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the School District. The School District provides email to aid students as an education tool.

1. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
2. Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
3. Electronic messages transmitted via the school district's Internet gateway carry with them an identification of the user's Internet "domain." This domain name is a registered domain name and identifies the author as being with the school district. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the school and district. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
4. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
5. Use of the School District's email system constitutes consent to these regulations.

The school and school district are not responsible for the loss, theft or damage to any electronic device brought to school.

Students in violation of this procedure may be subject to consequences as defined by the school officials.

School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

LOCKERS

(105 ILCS 5/10-20.14, 5/10-22.6, and 5/10-22.10a.)

Lockers will be assigned to students for use on the first student attendance day.

Students are to use only the lockers assigned to them on their schedules. It is important that students keep their assigned locker securely locked. Students are responsible for the contents within their assigned locker. Students are not permitted to share or use the locker assigned to another student. School lockers assigned to the student for their use remain the property of the school. The purpose of the lockers is to provide the students with storage areas for their books, school supplies, and outdoor garments. RESTRICTED AREA POLICY

A restricted area is any area of the campus where a student's presence is not required as a result of his/her instructional program. This includes, but is not limited to, the Commons Area (at any other time other than assigned lunch periods). Students may use the hallways, restrooms, and their lockers between classes (Administration reserves the right to limit access to school facilities during any time of the school day). Movement throughout the building (other than passing periods) will require a hall pass signed by a staff member. Such movement must be done promptly and by the most direct means. Attendance in a restricted area may result in disciplinary actions by administration.

SCHOOL EMERGENCIES

The student's safety and welfare are major concerns. Therefore, the following emergency situation procedures will be followed:

Fire: Fire drill information and evacuation routes are posted in each room. Read them carefully and become thoroughly familiar with them. You will be held responsible for knowing what to do and to obey the rules. In the event of an actual fire drill, the teacher in each classroom will give the students specific instructions to follow.

Tornado: In the event school authorities receive information from the Civil Defense or Weather Bureau that extremely severe weather is imminent, notification will be made from the office by announcement for the teachers to move their classes to a predetermined area. Students are to follow the specific instructions given by the teacher.

Earthquake: Because earthquakes strike without warning, life-protecting actions must be taken immediately at the first indication of ground shaking. During a major or moderate earthquake, the greatest immediate hazard to people in or near a building is the danger of being hit by falling objects. During the ground shaking, the school population is safest finding immediate shelter under desks, tables, or counters.

General safety precautions are as follows:

1. Stay inside; move away from windows, shelves, and heavy objects that may fall.
2. In halls or stairways, move to an interior wall. Turn away from windows.
3. In laboratories and kitchens, all burners should be extinguished before taking cover.

4. If outdoors, move to an open space away from building and overhead power lines. Lie down on the ground.
5. Do not leave school grounds without permission.

Severe Weather: In the event of severely inclement weather or a mechanical breakdown in the school's physical plant, school may be closed or the starting time may be delayed. The same conditions may also necessitate early dismissal and will be announced over local radio and television stations. Reports in the morning will be between 6:00 a.m. and 8:00 a.m., if no report is heard, it can be assumed that school will be in session. Please do not call the school. The telephone lines are limited and must be kept open for emergencies. School closing information will also be posted on the CUSD#10 District Website at:

<http://www.kahoks.org> and through the School Reach automated telephone message system.

Intruder: In the event of an intruder present on campus, CMS will go under a "lockdown" procedure. Lockdown is a building procedure that takes place in a crisis situation. Student movement will be stopped and the building is secured. Students and Staff will be made aware that a serious event has occurred or is about to occur, and how to act accordingly.

Bomb Threat: Collinsville Middle School takes all Bomb threats seriously. Any person who makes a bomb threat will be reported to the police and will be prosecuted. Procedures will be followed by school personnel to maximize student safety.

Missing Student: In the event the Main Office is notified that a student is missing, the parent(s)/guardian(s) of the missing student will be notified immediately. Upon confirming that the student is not at CMS, the Collinsville Police Department will be notified. CMS and the police department will work cooperatively to locate the missing student.

Power Failure: In the event the electrical power goes out, students are to remain in the class that they are attending until notice is given by the office to resume the usual schedule or follow a revised emergency schedule.

RULES REGULATING THE INSPECTION OF STUDENT'S WRITTEN RECORDS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (eligible students) certain rights with respect to the student's education records. They are: 1) The right to inspect and review the student's education records within fifteen (15) days the district receives request for access. Parents or eligible students should submit to the school principal or representative written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parents or eligible student of the time and place where the records may be inspected; 2) The right to request the amendment of the student's education records, that, the parents or eligible student believes are inaccurate, misleading, irrelevant or improper. The parents or eligible student may ask C.U.S.D. No. 10 to amend records that they believe are inaccurate or misleading, irrelevant or improper. They should write the school principal; clearly identifying the part of the record they want changed, and specifies why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parents or eligible student, the District will notify the parents or eligible student of the decision and advise them of their right to a hearing; 3) The right to consent to disclosures of personally identifiable information contained in the student education records, except to the extent that FERPA authorized disclosure without consent. Disclosure is permitted without consent in the case of directory information and to school officials with legitimate educational or administrative interests. Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent/guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student; and in other cases permitted by law. 4) The right of parents, eligible students, and/or guardians to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA (Family Policy Compliance Office, U.S. Department of education, 400 Maryland Avenue SW, Washington, D. C. 20202.

Collinsville Middle School, like all educational institutions, keeps a permanent record for each student.

The student's parent/guardian may inspect the survey or evaluation upon, and refuse to allow their child to participate in the survey. The school will not penalize any student whose parent/guardian exercised this option.

SUICIDE AND DEPRESSION AWARENESS & PREVENTION

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of the school district's policy, is posted on the school district website. Information can also be obtained from the school office.

TARDINESS

TARDINESS TO SCHOOL

If a student is late in arriving at school, he/she must report to the office. If a student will be late to school, a parent or guardian is expected to notify the school by telephone prior to the student arriving at school. The determination as to whether a late arrival to school is excused or unexcused will be on the same basis as absences. The district provides transportation to and from school for students living one and one-half miles from school. Students who elect to use private transportation will not be excused. All tardiness is unexcused unless bus or medical related. Any student arriving late to school on a school bus shall not be counted as tardy. Students arriving on a late bus are to report to the office. Tardy to school/class is defined as a student not being in the assigned classroom or in a pre-designated area identified by the instructor.

TARDINESS TO CLASS

Time on task is an essential part of productive teaching. Teachers are to begin classes on time to utilize the complete class period for instruction. It is the student's responsibility to be in the classroom and prepared to participate in class activities when the bell rings. Those students who are habitually tardy will be referred to the office for possible corrective measures. Tardy to school/class is defined as a student not being in the assigned classroom or in a pre-designated area identified by the instructor. It is the responsibility of the students to arrive at their scheduled class or area on time.

CONSEQUENCES FOR TARDINESS TO SCHOOL/CLASS

- 1st Step (tardy 5 times): Warning with parent notification from teacher
- 2nd Step (tardy 10 times): 2 Detentions with parent notification from principal or assistant principal
- 3rd Step (tardy 15 times): 1 Day of In-School Supervision with parent notification by Principal/Assistant Principal
- 4th Step (tardy 20 times): 2 Days of In-School Supervision with parent notification by Principal/Assistant Principal
- 5th Step (tardy 25 times): 1 Day of STOP with parent notification by Principal/Assistant Principal
- *Every Additional Tardy Referral will result in an additional day of STOP (ex.: 6th Referral (30 tardies)= 2 Days of STOP).*

*NOTE: The consequences for tardiness to school and/or class will be cumulative per quarter and will not be determined by individual classes.

TELEPHONE USAGE AND MESSAGES

The office telephone is a business telephone. Use of these phones by students is reserved for emergencies, only. Students must obtain a pass from a teacher and request permission from the office to use the telephone. Students who make calls to 911 without valid reason will be turned over to the police.

TESTING

Standardized tests will be given during the second semester of the school year. Test scores are used for individual assessment as well as making future decisions about curriculum, textbooks, and other educational issues. Periodically, students may be administered a screening test for possible recommendation of special education services. Additional tests such as final examinations will be disclosed using administration discretion.

TEXTBOOKS AND TECHNOLOGY DEVICES ISSUED TO STUDENTS

The textbooks used are the property of the Collinsville School District. The textbooks and technology devices issued to a student become his/her responsibility until returned to the teacher. If a textbook or technology device issued to a student is lost or damaged (regardless of the reason) the student has the financial responsibility to pay the appraised price for a replacement of the lost textbook or for the repair of the damaged textbook.

TOBACCO/SMOKING

Using tobacco products in any form is hazardous to the health of students and may present a safety hazard in the school. Possession, use or distribution of, or attempt to use or distribute any tobacco products or look-a-like tobacco products such as electronic cigarettes is prohibited in school buses, in school buildings and on school property. This policy extends to all school sponsored and related activities as well as field, athletic and extra-curricular trips, whether held before or after school, evenings, or weekends.

The Illinois General Assembly finds that tobacco smoke is a harmful and dangerous carcinogen to human beings and a hazard to the public health. Pursuant to Illinois Public Act 095-0017, no person may smoke in a public place or in any place of employment. To "smoke" means carrying smoking, burning, inhaling or exhausting of any kind of lighted pipe, cigar, cigarette, hookah, weed, herbs, or any other lighted smoking equipment. CMS will work cooperatively with local law enforcement to enforce provisions of the Smoke Free Illinois Act and fines may be assessed pursuant to this Act.

TRANSFER STUDENTS

Credit from school accredited by a state educational accrediting agency will be accepted and granted the same credit as given by Collinsville Middle School. Credit from non-accredited schools will be accepted and granted after demonstrating proficiency in the subjects taken at Collinsville Middle School. Exception to this policy will be at the discretion of the Principal.

Collinsville Community Unit School District #10 reserves the right to test or place on probation for thirty (30) days, any student transferring into the Collinsville School District for the purpose of grade placement.

Students must receive authorization for enrollment from the Director of Pupil Personnel Services at the Administration Annex Building, 123 West Clay Street, Collinsville, Illinois. A parent or legal guardian of a student applying for admission must accompany the student to the office with acceptable proof of residence and Birth Certificate. A Student Transfer Form must be filled out for every student who transfers to another school district in Illinois. Parents do not have the right to appeal a classification not in good standing.

TREATS/SNACKS

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be store bought and prepackaged in individual servings. No homemade treats or snacks are allowed at school. Treats and snacks may not require refrigeration and must have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with nutritional value.

TRUANCY

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss 5% or more of the prior 180 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law

The expulsion requirement may be modified by the superintendent, and the superintendents' determination may be modified by the board on a case-by-case basis.

WEATHER CLOSURE, DELAYED STARTS AND EARLY RELEASE

Collinsville Unit #10 Schools do not take weather-related decisions lightly. As with any decision, student learning is our top priority, but student safety is always our first consideration. Here is some information about how the district balances the factors that come into play when we face a weather-related decision.

Closures, Delayed Starts and Early Release

The district has three options in the event of bad weather. The district could close the schools altogether, delay the opening of school for two hours or release/dismiss students early. School release, delay and closure information is relayed in a variety of ways:

The district instantly publishes the information through:

- phone messaging system
- television
- district web site (If you have Internet access, the link to weather-related closure information is www.kahoks.org. The site is available 24 hours a day.)

In the rare event Unit 10 calls a 2 hour late opening; school will start 2 hours later than your normal bell time. For example if your normal bell time is 8:00 AM, your scheduled late start time is 10:00 AM. The morning bus routes will run 2 hours later than normal. The school day will end at their normal times.

Once children are in school, approximately two hours are required to get the last child home after a decision is made to close schools. For this reason, it is unlikely school will be canceled once classes are in session. However, when conditions dictate an early release, school will be dismissed. The School Messenger calling system will notify parents of any early school dismissal. It is also a good idea to check updates posted on the local television stations any time weather conditions are changing or in question. The district website will carry early school dismissal information as soon as decisions are made.

It is very important that parents have plans for younger children when school is dismissed early. In the event that the district releases students early due to weather, please communicate with the school if alternate student pick-up plans are made. Please insure children dress for protection against prolonged exposure to the weather as a safety precaution.

If we dismiss early for an emergency, all after-school functions are automatically cancelled.

WITHDRAWAL FROM SCHOOL

A student withdrawing from school must present a written note from a parent or guardian or be accompanied by a parent or guardian. A withdrawal form will be issued, and this form must be presented to each of the following persons:

1. All teachers at which time the textbooks and technology devices issued to the student must be returned.
2. The librarian and, if necessary, make proper financial settlement.
3. The registrar to make proper financial settlement for textbooks not returned, rental fees not paid, or a partial refund on rental fees if they have been paid and all books have been returned.
4. Transfer slips will be issued upon completion of the above procedures.

INTEGRATED PEST MANAGEMENT

Integrated Pest Management (IPM) is the practice of determining and implementing the most appropriate and least invasive techniques for controlling pests by emphasizing prevention and by employing physical, cultural, biological and only as a last resort, hazardous chemical controls. IPM is the best approach to pest control. Every effort is made to help protect the health and safety of students and staff. Illinois law requires schools to maintain a registry of parents and guardians of students and employees who have registered to receive written notification prior to application of pesticides to school buildings or provide written notification to all parents and guardians

of students before such pesticide application. Written notification may be included in newsletters, bulletins, calendars, or other correspondence currently published by the school district. The written notification must be given at least four business days before application of the pesticide application and identify the intended date of the application of the pesticide and the name of the telephone contact number for school personnel responsible for the pesticide application program. Prior written notice shall not be required if there is an imminent threat to health or property. If such a situation arises, the appropriate school personnel must sign a statement describing the circumstance that gave rise to the health threat and ensure that written notice is provided as soon as possible.

If a parent or guardian wants to be notified before a pesticide application is applied, please fill out the form below and send it to the Director of Building and Grounds, 201 West Clay St, Collinsville, IL 62234. Any questions call the Director at 618-346-6350, ext. 292. Pesticide applications will take place on the 3rd Friday of each month after school is out for the day, on an as needed basis. *Collinsville Unit 10 is aggressively working toward the reduction of pesticides with the implementation of an Integrated Pest Management (IPM) Program and will use the lowest risk factor chemicals that are available.*
